

**The Pembroke Regional Hospital Foundation's

**FOR IMMEDIATE RELEASE
April 8, 2025**

The Pembroke Regional Hospital Foundation is excited to announce their 3rd annual **Community Challenge for Healthcare has raised over \$25,000 and counting to fund equipment for the Pembroke Regional Hospital!** For the month of March, we challenged local individuals, groups and businesses to become a "Healthcare Challenger" and support their regional hospital in a fun, creative or competitive way of their choice and the community truly heeded the call.

"We would like to give a BIG thank you to the sponsors of this event, Frank Carroll Financial, Roseburg Forest Products, Knights of Columbus, Stephanie Hughes – xogingy, MacEwen Petroleum, Dr. Richard Johnson, myFM and The Brick Pembroke. We could not do this without their generous support," said Community Fundraising Specialist, Leigh Costello.

Many local businesses, organizations and individuals took on the "Community Challenge" and held individual fundraising events over the past month. These "Healthcare Challengers" included: Nick's Chicken House and Pizzeria, Mike's Hardware Doors and So Much More, FN Good Food, The Nook Creperie, The Kitchen Eatery, Wilkies Fresh Baked Bread, David Minns Insurance and Gayle Schultz. "We want to thank each of them for their hard work and support," Ms. Costello added.

"We are always blown away by the support of our community and the support of the *Community Challenge for Healthcare* did not disappoint! Proceeds from this year's *Community Challenge* have funded the purchase of a new Surgical light for one of the Operating Rooms at PRH, an essential piece of equipment for our Surgical team. We also want to thank everyone in the community who supported these initiatives through donations and support of the Healthcare Challengers," said PRH Foundation Executive Director, Roger Martin.
