**January 2, 2025**

(Pembroke) Tim Hortons' second-annual *Holiday Smile Cookie Campaign* returned to Pembroke and Petawawa in November, raising an incredible \$12,371.27 for your Pembroke Regional Hospital!

Co-owner and operator of the McCluskey Group, Andy Burns, says, "We are very excited to partner with the Pembroke Regional Hospital Foundation for this year's campaign! It makes us feel very good to know that funds raised will go directly towards critical pediatric equipment at the hospital that services our community and our teams."

Funds raised through this campaign will fund the purchase of a new pediatric crib for the littlest patients at the Pembroke Regional Hospital. The pediatric crib is used in surgical procedures for infants.

An incredible 16,495 cookies were baked, decorated and purchased between November 18<sup>th</sup> and 24<sup>th</sup> at the three Tim Hortons locations in Pembroke and two in Petawawa.

"The Pembroke Regional Hospital Foundation is honoured to have been selected as the local charity partner for this year's *Holiday Cookie Campaign* in Pembroke and Petawawa and we want to send a big thank you to our community for purchasing their Smile Cookies and supporting local health care." says Roger Martin, PRHF Foundation Executive Director.

"Our team at the Foundation and the entire hospital staff were so excited to help with this year's fundraiser, volunteering their time to decorate cookies, purchasing cookies and spreading the word. Nothing is better than seeing all those smiling faces, and that includes patients at PRH who will benefit directly through donations for our highest priority equipment needs. Thank you to all our volunteers, everyone who purchased a cookie and the Tim Hortons team," Mr. Martin added.
