

Today's Take-Aways

Please note that starting the week of January 7, 2021, The Pulse will be published on Thursday of each week instead of Wednesday.

Senior Leadership Team

• As we head into the new year, staff and physicians are reminded to:

- Adhere to guidelines and safety measures around workplace gatherings and/or food distribution
- Continue proper use of PPE
- Be diligent about screening prior to each shift and answer the questions honestly
- Maintain proper distancing when not wearing PPE
- Avoid all unnecessary travel
- Follow the guidelines of the provincial lockdown and limit in-person socializing to only those in your immediate household

• Thank you to each of you for your contributions in 2020 – it's been a challenging year for all of us, in every way possible, and while local distribution of a vaccine is still months away, we are hopeful for a better 2021!

Occupational Health and Safety

- Staff in non-clinical areas can expect to receive more detailed guidance on universal eye protection in the new year.
- Our screening staff have now adopted eye protection at their stations.
- A second Flu Shot Clinic for family members of PRH staff was held today. Thanks to all those who assisted in enabling this to take place.

Supply Status

- Gloves continue to be an item that is causing some supply challenges however we are starting to see the arrival of some one-time purchase lots.

GRATITUDE

A huge thank you to the **Lab** for all their hard work. I don't want to pick just one person (I do have one in mind) because I know it's a team effort when they get our patients' tests done throughout the day!

Dr. Margarita Lianeri

PRH GIFT SHOP SCHEDULE

OPEN FOR TELEVISION RENTALS ONLY

Open 1pm to 4pm on the following days:

	Monday	Wednesday	Friday
December:	28 th	30 th
