SUBJECT: Introducing Our New Benefits Providers

We are pleased to announce that, beginning August 1, 2024, Medavie Blue Cross will be our new provider for Health and Dental benefits and Manulife will be our new provider for Life and Disability benefits. This will be an exciting change for all of us!

Medavie Blue Cross is one of Canada's leading benefits providers, known for their focus on the member experience and helping Canadians lead healthier, happier lives. They offer you a number of free tools and money-saving services to help make sure you get the most out of your benefits.

Manulife is the leader in Disability Management in Canada, with a skilled team to help with your healthcare needs. By placing greater emphasis on your individual abilities, they will help you stay at work, or get back to work sooner and healthier, so that you can continue bringing your best to each day. In the unfortunate event of a life claim, they will swiftly support your loved ones with compassion in their time of need.
