To: All PRH Staff and Physicians
From: Medical Affairs
Date: June 2, 2025
Subject: Ottawa University Community Week 2025

uOttawa

Following a successful *Community Week* for our 10 Queen's University Medical Students last week, we are doing it again and have welcomed in 16 first-year Medical Students from the University of Ottawa this morning.

This program, hosted by the Eastern Regional Medical Education Program, offers first-year medical students the opportunity to experience a glimpse of rural medical practices early in their education. This is both a unique opportunity for the students and a great opportunity for our community to promote rural practices, benefits and showcase the area for future recruitment efforts to PRH.

Please be sure to extend a warm welcome to these 16 Ottawa U Medical Students who will be with us through Friday, June 6th.
